WORK EXPERIENCE

Project - Vector
Parkar Digital

07/2022 - Present
Achievements/Tasks

- Conducted a Proof of Concept (POC) on low-code platforms, evaluating their feasibility for project implementation.
- Developed ASP.NET Core 6 Web E-commerce API's using C#, MySQL, and the .NET framework
- Created reusable .NET libraries for authentication and seamless integration with major platforms.
- Designed and developed reusable React JS components
- Conducted in-depth research on various AI technologiesto explore their capabilities and potential applications.
- Developed a Visual Search AI application using TensorFlow, Python, and machine learning (ML), enabling users to upload images and receive suggestions for similar products.
- Implemented AI-driven cart abandonment solutions, integrating WABA (WhatsApp Business API) and META API's for proactive notifications via cron jobs. Additionally, integrated similar product suggestions within a WordPress chatbot.

CTO Mike Portal
Parkar Digital

Achievements/Tasks

- Engineered a versatile, plug-n-play chatbot using OpenAI, enhancing user interactions and providing intelligent responses.
- Crafted a WordPress plugin using PHP, featuring AI capabilities, and published it on the WordPress marketplace. The plugin enables users to generate content by selecting from AI tools such as Bard, OpenAI, and Azure OpenAI, compare results, and seamlessly publish articles.

EDUCATION

B.E. in Computer Science
K J College of Engg. & Management Research

07/2019 - 06/2022

Diploma in Computer Engineering
JSPM's Jayawantrao Sawant Polytechnic

06/2016 - 06/2019

SKILLS

ASP.Net　React JS　C#　Java　Python
MySQL　Web Development　Wordpress　PHP
OpenAI　AI API's　BitBucket　Generative AI
Prompt Engineering

EXTRACURRICULAR ACTIVITIES

Web Application Security Using Machine Learning

Multiclass Image Classification and Model Deployment Using Python and Machine Learning.

National level C-Challenge event

National level Project Competition

TRAININGS

In-Plant training at IPTCO-IT-003-Mobile Application Development using Android (04/2018 - 06/2018)

LANGUAGES

English
Full Professional Proficiency

Hindi
Full Professional Proficiency

Marathi
Native or Bilingual Proficiency

HOBBIES

Watching Tech Videos　Travelling

Listening Songs
